## Fire Department had Quite a Week

From February 5th to February 10th is not a full week - but it was quite a week for the Wilmington Fire Department.

February 5th, as may be remembered, was a windy day. The first fire that day was behind the Wilmington Center Pharmacy, on the old loading platform. Some cardboard boxes, empty, stored there, caught on fire. The wind fanned the flames, so that from the Wilmington Post Office, a hundred yards down the street, it seemed that the Wilmington Hardware Store was about to catch on fire, and that the Pharmacy block was doomed.

However, the fire was out almost before it started. The Fire Department squirted a few hoses - and all was over.

But, that night - It was the biggest fire that the Deputy Chief had seen, in his fifteen years on the Fire Department. That biggest fire was the one in Wakefield. Danny Wandell went to the fire, in charge of the Wilmington equipment, while Chief Arthur Boudreau held down the command at the Fire Station.

Wilmington's Engine 5 was one of the nine pieces of fire apparatus on the northwesterly side of the inferno. It served as a relay pump, one in a chain.

Chelsea had a fire engine at the hydrant, and pumped to Wilmington 5, which in turn pumped to Boston Ladder 17. Lined up, fighting the fire, were Ladder 17, Engine 32 from Boston, Ladder 3 from Everett, Engine 3 from Everett, the Woburn Water Tower, an Engine from Hanscomb Air Field, a North Andover Engine, and of course, Wilmington 5. Wandell reports that Wakefield's Chief, "Doc" Maloney, was the coolest man there, and did an extraordinary job in directing the Fire Fighters. The valves were subject to freezing because of the low temperatures, and the high winds were whipping the flames. Engine 5 left Wilmington at about 8:27 p.m. for Wakefield.

At 9 p.m. Chief Boudreau dispatched the Ladder truck to Wakefield, to "cover" in one of the Wakefield Fire Stations, and at the same time made arrangements with the Lowell Department, for one of the Lowell Ladder Trucks to be on the alert, in case it was needed in Wilmington.

Ladder 1 returned to Wilmington at 12:15 a.m., and Engine 5 at 5:45 a.m.

Monday, the 14th was a different kind of fire.

A lady in Elia's store, in North Wilmington remarked to one of the clerks that the Buck Barn on Middlesex Avenue, had a lot of smoke. The Fire Department was notified.

An engine and the ladder truck went to the homestead of the late Rodney Buck. There was no fire, in the barn or in the house. They returned to the station.

Soon there was another call, from another source.

Like the King of France, the engine went up again. This time there was a fire - of sorts. Some boys, in a shed nearby, had a fire in a stove - perfectly safe. It was the smoke from the chimney that the lady had seen.

But then - Wednesday evening - and the Tewksbury explosion.

Engine 5 was dispatched, in charge of the Deputy Chief, to "cover" for Tewksbury on the second alarm. It went to the south Tewksbury Fire Station.

Then - when the explosion occurred, and the Third Alarm was sounded, Engine 5 went to the fire itself, off Chapman Street. It never quite got there, in one sense. Engine 5 itself did no pumping, but the crew were hard at work handling the hoses of other fire trucks. There was plenty for them to do.

Tewksbury 5 had just finished "foaming down". Wandell says, when the Wilmington truck arrived. All of its hose was "down" - gone - destroyed. Wilmington's men were put to work handling hose for Tewksbury - it was strictly a "man-power deal".

There was 8500 gallons of propane in the gas truck that had caused the fire. Propane, Wandell says, is heavier than air, and consequently stays on the ground. The gas in the tanks was lighter, and while it could burn, it would tend to rise, and thus was not so definitely dangerous. There were tanks there with LNG (liquid natural gas), which, when converted to gas floats off into the air and is dissipated.

The principal task of the firemen, at the time that Wilmington was there, was to keep the tanks cool enough so that they did not rupture. The danger of rupturing (exploding) was greatest at the ends.

Wilmington's ambulance, which was sent up by Chief Boudreau, was put into use carrying wounded firemen to the Lowell hospitals, and the recall was at 1:18 a.m.

Yes Sir, it was Quite a Week!

## Compromise possible in Sons of Italy problem

The Wilmington Planning Board, Tuesday night voted unanimously to authorize the chairman, Morton Grant, to hold conversations with Town Counsel Alan Altman and Joseph Courtney, in an attempt to settle the questions about "Section 8".

The vote came after a discussion, in which the board said that they had been trying to have a by-law, for four years, which kept club-houses out of residential areas. That by-law is now represented by "Section 8" but the wording is unsatisfactory.

The new "Section 8" proposed by the Planning Board is equally unsatisfactory to the membership of the Sons of Italy Lodge. They are about to acquire some land in North Wilmington, in a rural area, but that being considered as residential, they would be unable to build. The lodge owns land on Salem Street, about which there were disputes in court, and which is about to be sold.

Rocco DePasquale and Rico Catalano represented the Sons of Italy, in the conversations Tuesday night.

## PLANNING BOARD HEARING TO BE FEBRUARY 28TH

The date for the hearing on Warrant Articles affecting zoning, by the Wilmington Planning Board, has been changed to February 28th, starting at 8 p.m. in the Mildred Rogers School.

## Bank account causes a mole hill Mountain

A bank account, which former Recreation Director Ken Zucker was keeping for the ladies of Play Skool suddenly erupted into a major cause of trouble, last weekend.

The account was only for monies collected by the ladies, and Mr. Zucker undoubtedly felt that he was doing them a favor, but it should not have been kept by him. His name, on the account, or as the person in charge, led to misunderstandings.

And, a City-Editor of the Lowell Sun heaped on some coals, Monday, by taking the story of the local reporter, and rearranging it, with a headline about Recreation Department Bank Accounts.

Wilmington Town Hall had as many Kilkenny Cats as there are in Ireland, Monday night, in the Selectmen's meeting. Joe Woods and Rico Catalano of the Recreation Department offered their resignations, amidst remarks of being indignant about everything. Stanley Webber, who had first brought up the subject of "multiple bank accounts" in the Finance Committee hearing was at first the subject of their indignation. Later it was the Lowell newspaper.

It took all the good work of Charlotte Stewart, chairman of the Recreation Commission to keep things on an even keel. Mrs. Stewart, when she finally got a chance to speak did her job in an admirable manner.

Some of Mrs. Stewart's remarks:

"As Joe said - we were not aware that Mr. Zucker was so involved. Playskool - they have so much a week per child, and checks to pay their accounts all money goes into that account and Mrs. Putnam has the records and all balances to date. The money is all there, and no Recreation Department funds or Town funds are involved."

Speaking of Mr. Zucker, later on, she said that he had worked "terribly hard" to have a program for the children. Recalling that he had come to Wilmington two years ago, Mrs. Stewart said he was "full of enthusiasm, more perhaps than he could handle himself. He came at a time when some of the teenagers were very much upset, - he got to know them, he started dances."

"We are very proud of the program that he built up, and we hope it will continue. He had a gym program, in the morning, with as many as 80 to 120 kids attending, at a school. He had a Friday evening program that was so full of work it had to stop for two weeks. He had a program for the Senior Citizens, and they liked it very much."

The new director, Mr. Stewart said, is now installing some very much needed management practices. Mr. Zucker didn't have time, he was too busy.

Both Rico and Joe, Mrs. Stewart said, were justified in their indignation. They both felt that their integrity had been doubted.

MRS STEWART IS SMILING: Members of the Wilmington Recreation Commission, in the Town Hall, Monday night, after a one hour conversation about the events leading to the story in the Lowell Sun on bankbooks. L to R: Rico Catalano, Mrs. Stewart, chairman; Joseph D. Woods, Jr.; and George D. Thompson.

## CHAMBER OF COMMERCE ANNUAL DINNER

The well known radio personality, Norm Nathan, will be the featured speaker at this year's Chamber of Commerce Dinner. Chairman, Edward Stupak announced that the Chambers' Annual Dinner Dance will take place on Friday, February 25th at the Casa De Fiori in Wilmington.

Norm Nathan is the host of the very popular "Norm Nathan Show" on WHDH-Radio. For years he enjoyed the reputation of one of the country's "outstanding radio 'night personalities'". Since taking over his daytime show, Mr. Nathan has brought a unique type of radio entertainment to the Boston area. An avid amateur gardener, he has won several ribbons at various fairs. Mr. Nathan and his wife live in Middleton with their two children.

In addition to Mr. Nathan, music for dining and dancing will also grace the evening.

Although this affair is sponsored by the Chamber of Commerce, participation by anyone is welcome (Chamber members or not) interested in an evening of stimulating entertainment.

Further information for tickets may be obtained by calling Mr. Stupak at 657-3710.

## COME OUT OF THAT MAIL BOX, GARY!

According to Suffolk University Gary Whitcomb of P.O. Box 253, Wilmington, has just been elected vice president of the freshman class.

## SKATING RINK PLANNED FOR SOUTH WILMINGTON

ARCHITECT'S DRAWING: Of a building on which construction is scheduled to start next month, off Eames Street, and which will house a Skating Rink and seats for 750 spectators. The building and rink cost is estimated at \$1,500,000.

Ralph Raymond, president of Bay State Hermetics, Inc. of Eames Street has announced that his firm is to build a \$1,500,000 skating rink in South Wilmington, on a lot of land with frontage on Eames Street. Construction is planned to begin in March, and the rink will be open for business in October, he told the Town Crier.

Two ice surfaces are planned for the rink, which will be in a building that will measure 300 feet by 125 feet. One of the surfaces will be a regulation hockey rink, 200 feet by 85 feet, with a seating capacity of 775 people. The other surface will be a practice rink, 85 feet by 60 feet, for skating and figure skating. There will be a total of four team rooms.

Bay State Hermetics, which moved into Wilmington four years ago has, at present, contracts to build three skating rinks for the MDC, and two skating rinks for private individuals.

If it is possible, Mr. Raymond said, Wilmington schools and organizations will get a preference for ice time. He and his associates are planning public skating time in the evening and on weekends, in what is customarily called "prime" time.

The rink is planned for a year around operation.

## Detective Bureau arrests would-be Robber

A Wilmington youth has been arrested by the Detective Bureau of the Wilmington Police and charged with threatening an armed robbery, at the Hess gas station on Main Street.

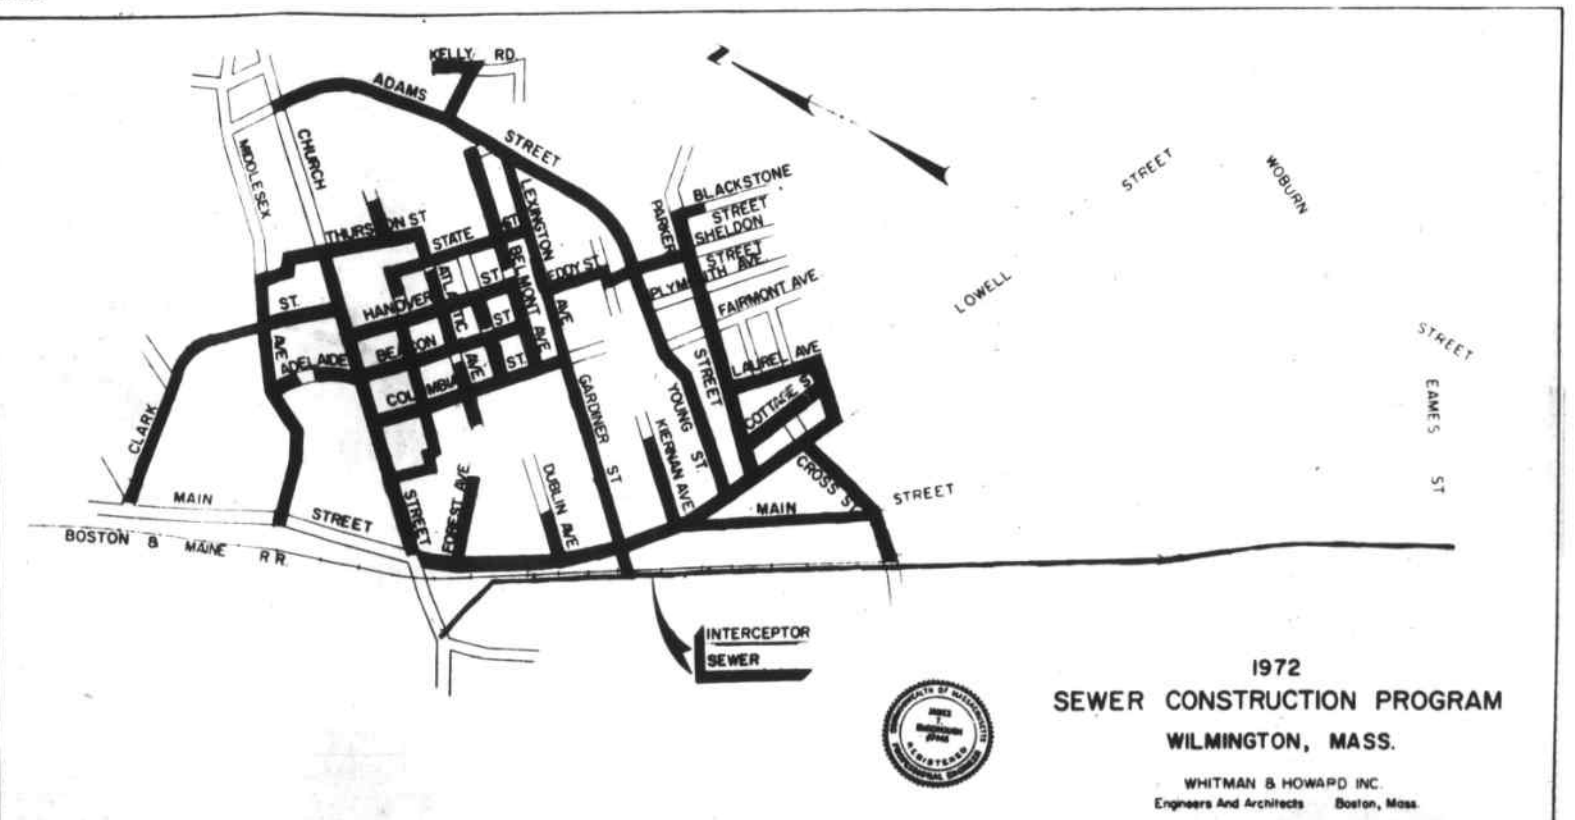

Thomas Peaselee of South Tewksbury, the night operator, told the police that the youth had threatened to rob him and to "blow his head off". He identified the youth who was arrested, from pictures in the rogues' gallery.

## MACKINNON DISAGREED

Last week's Town Crier in reporting the discussions between the Town Manager and Building Inspector on one side, and members of the Planning Board, on the other, on sign discussions, reported in one place that William MacKinnon of the Planning Board said that he agreed on a point with Mr. Leahy and the Building Inspector.

Mr. MacKinnon has told the Town Crier that he was misquoted. He had not said "agree" but rather "disagree". An error is disagreeable.

SEWER CONSTRUCTION PROGRAM  
WILMINGTON, MASS.

WHITMAN & HOWARD INC.  
Engineers And Architects Boston, Mass.

PROPOSALS FOR SEWERAGE NEAR WILMINGTON SQUARE: As presented to the Board of Selectmen Monday night, by Town Manager Sterling Morris. The lateral, which is to lay under the right of way for the Boston and Maine Railroad, is the next section that the Town Manager wants, and the mains on the various streets would then follow, under the Betterment Plan. Morris feels that to get the sewer to the site of the High School could reduce the costs of construction, in an addition to the school is to be built.

## Trackmen conclude League Schedule

Depth in the second and third place finished proved to be the deciding factor in two recent wins for the Wildcats to conclude their league schedule with a very impressive 5-2 slate. Last Friday the varsity outscored North Reading 22-17 in second and third places to break a 25-25 tie, as each squad had picked up five firsts each.

TRI-CAPTAIN BILL BADIALI:

Of the varsity track team turns the last corner in winning the 300 yard run against North Reading last Friday.

Bill Badiali (1:24.3 in and 43' 8" in shot), Jim Murphy (2:40.4 in 1000), Carl Abell (5:06 in mile), and Rick Keane (10:42 in 2 mile) garnered valuable first place points.

However, it was the second place points of Artie Bibeau (6:0 in 50), Rick Barry (1:25.7 in

600), Doug Spring (5:07 in mile), Larry Singlais (11:07.2 in 2 mile) and Marcel Deveau (5' 2" in high jump) along with third place finished by Deveau (high hurdles), Bill Waller (50), Rick McCulley (tied for 2nd in 300), Steve Coursey (600), Ian MacInnis (1000) and Paul Sferazza (high jump) which provided the varsity with their margin of victory.

Tuesday afternoon Coach Kelley's trackmen put the frosting on the cake with a 48½-37½ triumph over Methuen to conclude the best indoor track season for any Wildcat club. The varsity trailed in first place points, 24-29, but came on strong in the runner-up positions outscoring the Rangers 18-6 in seconds and 6½-2½ in thirds.

Tri-captain Bill Badiali led the way first a brace of firsts, 36.4 in the 300 to break a school record and a toss of 42' 7½" in the shot. Other first place points were picked up by Steve Coursey (1:29.2 in 600) and Doug Spring (10:48 in 2 mile). Rick Barry gained four points with a tie in the high hurdles. Valuable second place points were gained by Artie Bibeau, Ian MacInnis, Ray Dudley, Rick Keane, Larry Singlais and Paul Sferazza.

Thirds were garnered by Marcel Deveau, Rick Marasco, Mark Blaisdell, Carl Abell, Joe Learv, Paul Sferazza and Rick McCulley. The boys are to be proud of their accomplishments and many of the runners are under classmen and this should auger well for next season.

TRI-CAPTAIN RICK KEANE: Of the Wildcat's varsity track team leads the pack enroute to a convincing win in the two-mile in last Friday's dual meet against North Reading.

JIM MURPHY OUT FRONT: In the 1000 last Friday's meet with North Reading, Jimmy finished first in the event with a time of 2:40.4.

## Girl's Basketball

### SEASON ENDS

The varsity concluded their season Tuesday afternoon dropping a close 34-33 decision. Coach Dadoly's hoopers led at the half 16-12, but went ice cold in the third frame as the Andover girls outscored our girls 13-4 for a five point lead entering the final stanza. The varsity put forth a fine effort in the last quarter, but their rally fell short and they suffered their sixth seasonal loss.

The jayvees nipped their counterparts in the preliminary contest by a 9-7 score with Janice Gennetti leading the way with three points.

Last Friday afternoon at Dracut the varsity exploded in the second half to over power the host club, 52-39. Joani Bellissimo led all scorers with 25 points, including 9 of 12 free throws. After a close first half, the Wildcats led 22-16, our girls outscored Dracut 30-13 in the final two stanzas. The junior

AT THE VARSITY TRACK MEET: With North Reading on Friday, February 11th, Artie Bibeau is just edged at the tape in the 50 yard dash. Artie had to settle for second place in the Wildcat's triumph over the Hornets.

Bill Waller is at the winner's right and he finished third.

varsity ripped their counterparts in the first game, 28-6 behind the scoring of MaryAnne Langone.

The varsity concluded the season with an 8-6 record, while Coach Cassidy's jayvees ended up 10-4.

## Wildcat Icemen trying Hard

The varsity pucksters battled Billerica to a standoff in the opening period last week only to succumb in the middle and final frames as the second place Indians scored a pair of goals in each of the final two periods for a 4-0 triumph over the Wildcats.

This was the second time the Wildcats faced the Indians and it was a marked improvement over the previous encounter (a 7-0 whitewash). Senior net minder Bob Zwahlen turned back 25 shots in the contest, while the Wildcats managed only six on the Indians goal.

Saturday afternoon the varsity fought back from a one goal first period deficit to tie the Chieftains of Masconomet, 1-1. The tying goal came off the stick of center Kevin Nolan midway in the middle frame. The score was set-up by defenseman Steve Neal, who kept the puck in the zone at the left point and he proceeded to circle the net with the puck and neatly passed out front to Nolan and Kevin wasted little time in firing a fifteen footer into the far corner of the Chieftain net. The Wildcats had some excellent opportunities to break the tie in the third stanza, but the but the Masco goalie was equal to the task. Fine efforts were turned in by Bob Zwahlen, Dana Mullarky, John Harrison, Wayne Kirby and Captain Dave Kindred along with Neal and Nolan.

In the preliminary contest the junior varsity topped Dracut, 48-38 behind Mark Nelson's 17 points. The junior set is now sporting a fine 11-5 record (8-4 in MVC). Meanwhile the frosh won their second in a row Tuesday afternoon, whipping Andover West Junior High, 46-41 and are now 2-6 on the season.

The jayvees saw their six game winning streak go by the boards as the Andover junior varsity edged out boys, 38-35 in the prelim. Mark Nelson with 11 points and Doug Stewart's 10 led Coach Milley's five.

Last Friday evening the varsity got off to a slow start but finished strong in the first period for a 17-11 lead over the visiting Middies. Henry Landry, Mike Rounds and Bob Noel were the keys to the six point lead. Sloppy play in the second stanza cut the Wildcats lead to five points (25-20) at half time.

The four fell in during the third period as the Middies exploded for 24 points and a 44-35 lead. Capt. Maxwell fouled out early in the stanza, which was a loss to the offense, and four easy break-away layups helped Dracut have a big period. Midway through the final frame the Wildcats made a strong effort to come back, but too late with too little.

The Middie's press forced many turnovers by the varsity and this was the downfall. Rounds played the entire game and did a good job off the boards (chipped in with nine points also). Landry also played well as did Dave McLain and Phil Morrissey. Doug Stewart saw considerable action and showed poise while seeing his initial action in a varsity uniform.

In the preliminary contest the junior varsity topped Dracut, 48-38 behind Mark Nelson's 17 points. The junior set is now sporting a fine 11-5 record (8-4 in MVC). Meanwhile the frosh won their second in a row Tuesday afternoon, whipping Andover West Junior High, 46-41 and are now 2-6 on the season.

## VA News

Q. I am interested in purchasing a VA repossessed home. Where may I obtain a list of brokers?

A. A list of offerings in a particular area may be obtained from the loan guaranty officer in the VA regional office serving the area in which the buyer is interested.

Q. Must a selection or change of a G.I. insurance beneficiary be on a specific form?

A. No any clear statement signed by the policyholder is sufficient. However, it is preferred that VA Form 29-336 be used.

Q. Do I have to report as income the interest earned on my Series E Bonds when I complete the annual income questionnaire?

A. Not if you don't cash the bonds. Interest earned should be reported only for the calendar year in which the bonds are cashed.

Q. My VA pension was discontinued when I received an extra large dividend which put me over the ceiling. Does this mean that I will no longer receive a pension?

A. If the dividend was a one-time payment, your pension will be discontinued only for the current year. Next year, you will again be eligible if your income reverts to the status it was prior to the time your pension was discontinued.

Q. Is a woman who draws VA benefits as a widow of a veteran entitled to an extra \$50 allowance if she becomes a patient in a nursing home?

A. Yes.

Q. I understand that option one is a lump sum payment of a government life insurance policy. Does this mean that the beneficiary must take the proceeds in a lump sum?

A. No. The lump sum payment is available if desired, but the beneficiary, for example, may take part of the proceeds in cash, and the balance in monthly installments if desired. If he may take all payments on a monthly basis.

## LAWRENCE HARRINGTON ON DEAN'S LIST AT BENTLEY

Lawrence J. Harrington, son of Mr. and Mrs. Leo F. Harrington of 25 Fairmeadow Road has been named to the Dean's List at Bentley College in Waltham, for the fall semester.

In order to qualify for the Dean's List, a student must achieve a quality point average of 3.2 or better after completing at least 12 course credits during the semester.

## TOWN OF WILMINGTON

## PLANNING BOARD PUBLIC HEARING

A public hearing will be held in the Mildred Rogers School, off Grove Avenue, Wilmington, at 8:00 P.M., February 28, 1972, on certain articles to appear in the Warrant of the 1972 Annual Town Meeting.

Article 19: To see if the Town will vote to amend Section I-2-D of the Zoning By-law by adding sub-section 5:

5. High Density Traffic Business District shall be contiguous only with the districts denoted as General Business and/or Industrial, or do anything in relation thereto.

Article 20: To see if the Town will vote to amend Section V-1 of the Zoning By-law for requirements for General Business District: Minimum Lot Area for Use Permitted without Appeal - 10,000 sq. ft. Minimum Lot Area for Use Permitted on Appeal - 20,000 sq. ft. Minimum Lot Frontage for Use Permitted without Appeal - 100 ft. Minimum Lot Frontage for Use Permitted on Appeal - 150 ft. or do anything in relation thereto.

Article 21: To see if the Town will vote to Amend the Zoning By-Law of the Town of Wilmington so as to provide for Planned Unit Development Districts and to regulate the same by adding the following sections and provisions to the aforesaid Zoning By-Law:

1. To add to section I, subsection I-2, paragraph A thereof, under the caption "Establishment and Location of Districts" the following new district:

8. Planned Unit Development Districts, (P.U.D.)

11. To add to section II thereof, under the caption "Definitions" the following definitions:

2. Dwelling, Strike concluding period and add "or commercial accommodations offered for periodic occupancy." For the purposes of this By-Law, a Family, as referred to in this paragraph, is any number of persons living together as a single economic unit and ordinarily using a single cooking facility; and the building or part of a building occupied by such a Family or individual constitutes a Dwelling Unit.

14. Garden Apartment House. A detached or semi-detached building (a) containing not less than eight nor more than twenty dwelling units, each unit having independent cooking facilities and bathroom, and containing not more than two sleeping rooms; with no living quarters above three stories in height nor below the mean finished grade; with no more than four (4) dwelling units served by one outside

*"The current objective of the hospital is to improve its services and existing facilities. We see no present need to add more beds."*

*—Robert B. Kittredge, President*

## A REVIEW OF YOUR HOSPITAL'S SERVICES TO THE COMMUNITY IN 1971

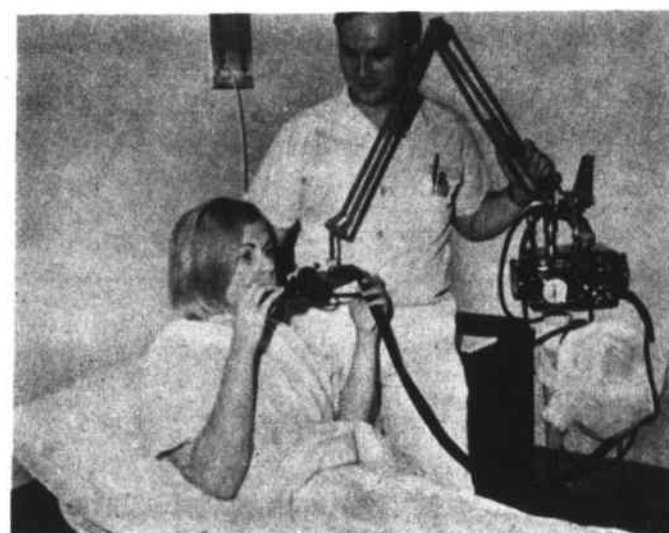

**WE** believe that if our patients were to tell us what they want from us, they might say:

### FIND OUT WHAT IS WRONG WITH ME

So we look for the newest, most accurate equipment for diagnosis. An example is the rectilinear scanner. With no discomfort to the patient, it can tell us of certain kinds of damage to the spleen or liver, as well as other types of abnormalities. Lives have been saved through the use of this equipment.

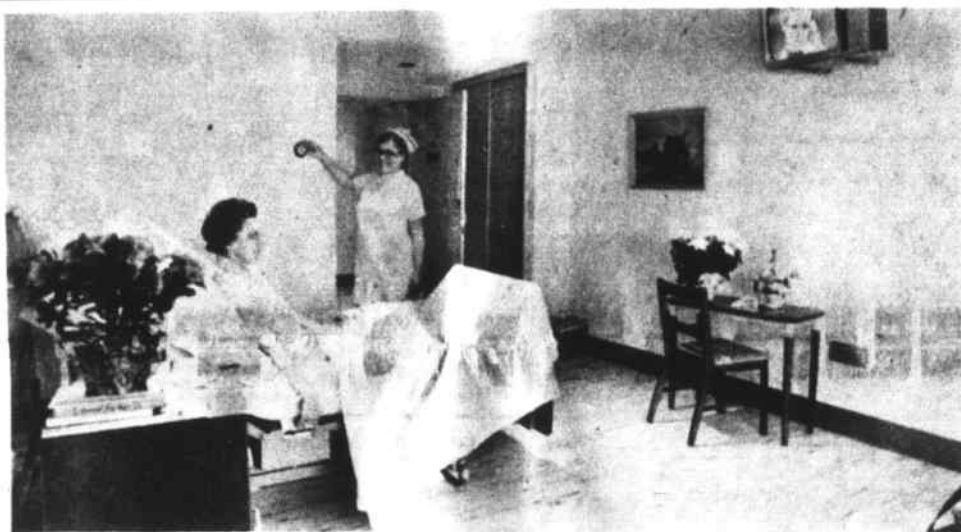

### MAKE ME WELL — AS SOON AS YOU CAN

Nothing is more important to health and life than breathing. Inhalation therapy provides effective treatment for those who have breathing difficulties. Just by blowing in and out on the respirator, the patient brings healing medication to his lungs.

### PLEASE KEEP ME COMFORTABLE

Your room is equipped for exactly this purpose. Individual temperature control keeps it as warm or as cool as you want it — summer or winter. The electric bed can be adjusted by you, or by the nurse, to the height best suited to you. Of course, you have remote control for your television. The windows in each room are wide, and open and close quietly.

It is our objective to meet these needs as well as we can, and to continue to improve along these lines.

To do this during 1970-71, it cost:

For patient care services .....	\$3,959,889.
For food service .....	678,085.
For building and household services .....	792,255.
For administration and general .....	1,408,691.
For depreciation .....	244,157.
Making a TOTAL of .....	\$7,083,077.

Where did the money come from to do this?

Primarily from patients and their insurers in a gross amount of .....	\$7,529,828.
After deducting for unreimbursed care and contractual allowances .....	426,532.
we had NET PATIENT REVENUE of .....	7,103,296.
This left just under three-tenths of 1% to put aside for future development and working capital .....	\$ 20,219.

This will help to explain our great appreciation of contributions.

WINCHESTER HOSPITAL exists only to help prolong the lives and, through improved health, to increase the enjoyment of life of the people of this area.

**Selling (Your House) The Fast Easy Way**

**PART I**  
How to Determine Fair Market Value

Actually, there is no definite way to determine the exact selling price of a parcel of Real Estate in advance. All anyone can do is make an educated guess. You can make a guess at the value of a particular house yourself. The trouble is that you probably do not know enough, comparatively speaking, to be very accurate. What you need is to find someone who has seen many houses change hands in your town and knows what those houses sold for. He can then compare your house to similar houses that have been sold recently. The prices received for these similar houses will then be a guide that can be used to project the probable selling price of your house. This is called using comparables, and is the basis for most residential real estate appraisals. You could also use the replacement cost method, where you determine how much it would cost to replace a particu-

lar building and then deduct depreciation or you could use the income approach where you base the value of the property on the amount of income it could bring in.

Theoretically, all three methods should give you the same final figure for any given piece of property.

Reliable real estate service is as handy as your telephone. At Forsyth and Company, we concentrate on doing a good job for our customers, because if we do, business will take care of itself. Call about any real estate problem. If you are selling, find out about our file of buyers, advertising program, and MLS service.

"Difficult problems solved immediately, the impossible takes a little longer."

## Rec Hoop Tourny next Month

The second Annual Wilmington Invitational Basketball Tourny will take place at the high school gym on March 13th, 15th, 17th, 21st, 23rd, and 25th. Teams will consist of eight players and the tournament is open to all boys and girls who live or attend school in the Town of Wilmington.

There will be eight divisions this year, broken down by ages: Boys 10-12; girls 10-12; boys 13-15; girls 13-15; boys 16-18; girls 16-18; adults (men and women) 18 and over. Age will be determined as the age on December 31, 1971.

Adults must live in the Town of Wilmington, or work for, or be a member of the sponsoring organization, or be an active member in the current Adult League. Players may only be members of one team.

The entrance fees are \$2 per team for the 10-12; \$3 per team for the 13-15; \$5 per team for the 16-18 and \$25 per team in the adult divisions.

Applications may be obtained from the Recreation Department. This will be a single elimination tournament.

## Town League Basketball

**Adults:** Sweetheart Plastic snapped a long nine game winless drought Monday night with an exciting 84-78 triumph over Wilmac. The Plastic five overcame a five point first quarter deficit (19-15) to outscore the Athletic Club 53-25 in the middle frames for a commanding 68-44 lead after three periods.

Wilmac rallied in the final stanza to close the gap to six, but destiny was riding with Sweetheart. Bob Klesaris (21) and Doug Smith (20) led the winners, while Keith Anderson tossed in 31 for the losers.

Sunday evening the Super-Stars topped Newhouse, 87-63 and De-

loury crushed Sweetheart 105-62. And last Wednesday the league leaders edged Deloury, 81-75 and Newhouse ripped Sweetheart, 104-49. By virtue of their unblemished record the Super-Stars have clinched, at this writing, at least a tie for the league crown.

**Seniors:** The Bullets clinched a tie for the top spot last Saturday with a 41-36 win over the Lakers with Mark Nelson (17), Paul Magee (10) and Jim Buck (10) leading the attack. Steve Daniell tossed in 18 for the losers.

The Knicks moved within a game of second place with a convincing 55-37 triumph over the Pistons. The winners broke open a close game (22-16 at half) outscoring Stan Riley's club 33-21 over the final two stanzas. Doug Stewart tossed in 15 points to lead the way, while Larry Gallagher and Vin Scifo chipped in with 14 and 12 respectively. Tom Woods (13) and Bob Burns (12) did the bulk of the scoring for the Pistons.

In Saturday's third contest the Celtics overcame a two point (15-13) half time deficit to edge the Royals 36-33 thus creating a three way tie for the fourth and final playoff spot. Rick Allen poured in 17 points as the Celts snapped a four game losing skid. John Gillis led the hard-luck Royals with 12 points. Earlier in the week the Pistons edged the Lakers 32-31 with a strong second half effort by Ray Noel (12 points in the half). Steve Daniell fired in 16 points in a losing cause.

**Juniors:** The Chiefs upset the Patriots 35-31 last weekend to highlight play in the younger set. Pete McNaughton tossed in 20 points to lead the surging Chiefs to their sixth straight win. Bobby Aprile (10) and Jim Sarris (7) led the losers. The Jets handed the Broncos their sixth consecutive loss 14-7 to throw fourth place into a turmoil. Paul Bradley led Coach Burke's club with six points.

In the other two encounters the Raiders lost to the Chargers and Patriots. Last night at the HS Gym, the Chiefs and Jets clashed in the final contest with the final playoff spot hanging in the balance.

**Saturday:** Yale vs. Harvard (1:00 at North); UMass vs. Northeastern (1:00 at West); Junior division play-offs (1:00 at HS Gym); Bullets vs. Celtics (3:00); Knicks vs. Lakers (4:00); Pistons vs. Royals (5:00).

**Sunday:** Sweetheart vs. Newhouse (7:00); Wilmac vs. Deloury (8:30).

**Wednesday:** Senior division play-offs (5:00); Wilmac vs. Newhouse (7:00); Sweetheart vs. Super-Stars (8:30).

## No Check Hockey

### JETS SNAP LOSING STREAK

The Jets snapped their eight game losing streak last Thursday night with an explosive 11-3 win over the Blues. Dave Carlson and Jerry McPhee each registered a three goal "hat trick" as Currier's icemen won their initial contest of the second half.

In the nite cap on February 10th, Dussault's Aces belted the Flyers, 8-4 as Kevin Sullivan, Ed Buckley and Jim Jillette each scored a pair of goals for the league leaders. Dennis DiMaggio fired home a pair of goals for the Flyers.

Monday evening at the Arena, the Flyers moved back into second place edging the Jets, 6-5 while the Aces were defeating the Blues, 4-2. Paul Kane (2) and Len Galvin (2) led the Flyers to their third win of the second half. Paul Currier also fired home a brace of goals, but to no avail.

### WHAL NO-CHECK MATCHES

**Tonight:** Flyers vs. Blues (11:20 p.m.); Aces vs. Jets (12:30 a.m.).  
**Monday:** Aces vs. Flyers (10:40 p.m.); Jets vs. Blues (11:50 p.m.).

## Youth Hockey

In Squirt action last weekend, Coach Nolan's Clippers upset the Aces, 1-0 for their initial win of the second half. Coach Scanlon's Aces are not 4-1 on the season and a slim one point lead over the second place Braves. The other three contests ended in ties, Braves 4, Voyagers 4, Reds 1, Bears 1, Braves 0, Americans 0.

The Blazers extended their unbeaten streak to four with an exciting 2-1 win over the Checkers. Ed note: the Blazers defeated the Rockets 3-1 on Feb. 5th.

Doug Wiberg scored the game winner on an assist from Mike Moran. Dwight Storer was outstanding in the nets for the division leaders, while the Checkers hit their goalies in the final minutes in a vain attempt to tie the score. In the lone other Sprite game the Rockets blasted the Blades, 5-0.

In Midget action the Leafs won a pair (1-0 over both the Sabres and Canucks) while the Hawks belted the Sabres 6-3 and the Canucks edged the Hawks, 3-2. In the lone Bantam encounter the Canadians edged the Red Wings, 3-2.

By Roger

A ceiling could be a great addition to your basement even if you don't intend to finish the whole basement as yet.

Believe it or not, a ceiling in your basement can add fire resistance and cleanliness to your house. Besides that, the appearance of the basement is greatly improved!

Remember, before putting in your downstairs ceilings, close all openings to upper floors, especially around pipes, studs and registers. And keep in mind that material around your boiler or furnace should be protected with metal.

Keep Sweezy Home Courtesy Center, 615 Main St., 658-2051 in mind when you need supplies to finish household improvements and repairs. We handle Nu-Wood and Armstrong Ceiling Tile and have over 150 sheets of Weldwood, Georgia Pacific and Abitibi paneling on display. Hours: 8 AM-5 PM Daily, 8 AM-5 PM Fridays. ## NEW BOOKS AT THE WILMINGTON MEMORIAL LIBRARY

### Fiction

"Sounds of Home" by Ilka Chase: Beneath the glitter of the beautiful people lies many a complex problem, as related in this family chronicle spiced with drama, pathos, and some relieving humor - a combination typical of Ilka Chase's writings.

"Give Me Back Myself" by L. P. Davis: An English suspense story involving amnesia, a conspiracy of double identity, and the almost grim events that lead to the final resolution.

"Laredo Lawman" by James R. Dowler: An action-packed western, trailing from Laredo to Abilene just after the Civil War, with a well educated sheriff forgetting all about his law and order training in order to revenge the personally tragic murder of his beloved.

"Behold, Here's Poison" by Georgette Heyer: For all Heyer fans, this is a reissue of an earlier mystery, a thriller still new to the many readers who are making fresh acquaintance with Heyer murder-suspense stories. This one involves the administration of nicotine poisoning, not once, but several times within a strange family circle.

"Wonderland" by Joyce C. Oates: A search for identity and personality, from childhood to parenthood, the character of Jesse goes through many guises as the story progresses from pre World War II to the early 70's - until, as Dr. Vogel, he loses all identity.

### Non-Fiction

"Teaching Your Child to Learn" by A. Arnold: From birth to school age, somewhat contrary to modern trends, the author emphasizes the role of person-to-person relationships, minus all the mechanical aids, in the development of a creative sense-awareness among pre-schoolers. He also advocates greater exposure to social experiences, curiosity seeking, and natural or environmental awareness in place of rote or factual learning. This volume is suggested as early reading for the about-to-become parents set, as well as for those who have doubting dissatisfactions with present-day education.

"America: A Personal Travelogue" by Pearl Buck: With 200 photographs from Life and text by Pearl Buck, here is a paean of

praise and tribute - all in the superlative degree to convey the infinite variety, the lavish extent, the freshness of approach in the vastness, glory and beauty that is America, state by state, region by region. People, land formations, scenic grandeur, industry, architecture, recreation - all are included and found to be wondrous.

"Out of the Stockpot" by William J. Dunn: How to improve the flavors of meat, poultry, and fish by cooking with stock - an old-fashioned, old world custom that is being revived. Recipes, foreign and native, help support the author's claim that the base of everyday cooking is to be found in daily preparations of savory, nutritious stock. Tempting, mouth-watering cuisine for those who want to re-discover an added dimension to their diet.

"Beauty is No Big Deal" by Donna Lawson: For the young women of the 70's whose active lives leave them little time and money to spend on non-essentials this breezy, lively, jivey work is a very modern last word from the fashion-wise authors to whose want to shape up - inside and out, with good grooming and good health. Tips and suggestions are many.

"Big Bands" by George T. Simon: With a Sinatra foreword, the sound of the thirties and early forties is all here, recaptured in all the big names of the big bands, still memorable on the American music scene. Long forgotten places come alive once again with the sound of the big hits made famous by the big band personalities, leaders, crooners, soloists, instrumentalists all evoking a nostalgic return to a special era in American music. A period piece that should have great appeal among oldsters and youngsters of a by-gone, but not forgotten time.

### Juvenile Books

"The Military History of Revolutionary Land Battles" by Trevor N. Dupuy: Battle maps, pictures of historical scenes, and clear, accurate descriptions by a military historian make this survey fascinating reading for the history buff.

"Maggie Rose: Her Birthday Christmas" by Ruth Sawyer: Illustrations by Maurice Sendak. This story of 8 year old Maggie Rose's dream for her big lazy and fun-loving family in Maine will take over by corrupt, overt at-bringing smiles and tears to the hearts of readers.

"The Mountain" by Peter Parrott: Vivid, detailed pictures with a little text show what happens to an unspoiled mountain when well-meaning planners turn it into a national park. Gift of the Wilmington Conservation Commission. Shaw into some suspenseful action.

"The Mysterious Disappearance of Leon (I Mean Noel)" by Ellen Raskin: It's a mystery, it's a puzzle, it's a very funny book for good readers from fourth grade and up.

"The Totem" by Astrid Lindgren: Illustrated by Harold Wiberg. Big beautiful pictures and poetic text introduce this charming Swedish troll to American children of picture book age.

"Persephone: Bringer of Spring" by Sarah Tomaino: Illustrated by Ati Forberg. Glorious pictures illustrate this retelling of an ancient Greek myth, for 4th thru 6th graders.

"Have You Seen a Comet?" by Ann Pellowski, et al: Stories, poems and large full-color pictures by children from all over the world.

"The Tenth Good Thing About Barney" by Judith Viorst: Illustrated by Erik Giegvad. Barney happens to be a cat, but this can be a comforting book to read or hear when any pet you have loved has died.

"The Pooh Party Book" by Virginia Ellison: Illustrated by Ernest H. Shephard. Ideas for giving five different parties based on "Winnie the Pooh" themes.

"Veronica and the Birthday Present" by Roger Duvoisin: A new book for old friends of Veronica the hippopotamus, Petunia the goose, Alexander the dog, and other animals who live on the farm of Mr. Pumpkin and Mr. Applegreen.

### NEW BOOKS AT THE LIBRARY

"Sleepwalker's World, by G.R. Dickson: Science fiction of a world which must succumb nightly to the power broadcasts from core taps deep into the bowels of the earth for the sustenance of life on earth, making involuntary sleepwalkers of all but a few.

"Zoo Gang", by Paul Gallico: An entertaining mystery, in the usual Gallico style. Five former clear, accurate descriptions by a World War II underground resistance movement leaders hide their identity as they surfact to the present time along the beaches of southern France to solve the theft of valuable collections of art and jewels.

"Blue Messiah" by James D. Horan: The possibility of police fun-loving family in Maine will take over by corrupt, overt at-bringing smiles and tears to the hearts of readers.

"Deadfall" by K. Laumer: The meaning planners turn it into a national park. Gift of the Wilmington Conservation Commission. Shaw into some suspenseful action.

## Mrs Carole Butt to conduct classes for expectant Parents

"The Elixir" by Robert Nathan. The past and present life and legend are made one by the binding power of love.

### Non Fiction

"Plenty of Sea Room: A Yankee Boyhood" by Emory N. Cleaves: For local color and the authentic smell of the sea around Newburyport, here is the nostalgic recollection of a young boy's growing love of the sea.

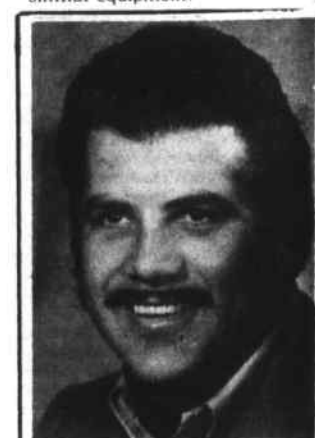

"First Hundred Years of Nino Cochise: The Untold Story of an Apache Indian Chief" by Cive Cochise: The 98 year old grandson of the legendary Chief Cochise, writes a powerful, historical, eventful and personal memoir of the Chiricahua Apaches, who broke away from an enforced march to a different reservation and settled in Northwestern Mexico.

"Where Have All the Flowers, Fishes, Birds, Trees, Water and Air Gone?" by Osborn Egerberg: This is one of a series of books given to the library by the Wilmington Conservation Commission in their effort to bring vital matters of ecology to everyone's personal attention.

### MIDNIGHT CHECK

A midnight check, by Officer Bobby Stewart of the Wilmington Police discovered an open back door, at the Grants store in the Wilmington Plaza, at 12:45 a.m. Saturday.

Thieves had taken out over \$1000 value of merchandise confined largely to stereos and similar equipment.

### Elect James A. Demos School Committee

If elected to the School Committee, I shall make the School administration aware of the various new regulations regarding the education of our youngsters.

Presently, the Departments of Education and Mental Health jointly have issued 33 new regulations for "Children with Learning Problems" or otherwise known as Special Education.

I shall see to it that these regulations are being met by the educators involved. I believe that children with problems that hinder their education have been neglected or partially served.

I shall be looking into the present educational services offered and wanting to be assured that all youngsters with learning problems are given the best educational opportunities possible.

Every youngster is entitled to equal educational opportunities. James A. Demos Pol. Advt.

### STABBING CASE BRINGS ARREST

Wilmington police, for the past few months have received many complaints about somebody who stabs people with a sharp instrument. The cases have never been fatal, nor hardly serious at times.

A twenty year old youth was

arrested Monday night, and charged with stabbing another youth with a pair of scissors. The arrest was made by Officer Jimmy Cuoco.

The youth who was stabbed was taken to the Winchester Hospital by Officer Cuoco and treated for lacerations in the left arm, below the elbow.

30. **Site Plan.** Shall mean a plan of property and provisions in written and graphic form, comparable to a Preliminary Subdivision, showing the development of a Planned Unit Development, relating to the use, location and bulk of buildings and other structures, intensity of use or density of development, private access driveways or streets, ways and parking facilities, common open space, municipal services and public facilities, and appropriate covenants, easements and restrictions applying thereto.

III. To add to Section III thereof, under the caption "Use Regulations" the following new section:

III-6. **Uses in Planned Unit Development Districts.** A "Planned Unit Development District" (P.U.D.) is intended as a district for large scale, designed development, constructed, operated and maintained as a single entity under control of a Landowner, with single family dwellings, row or town houses, garden apartments or other arrangements of dwelling units, together with incidental or related business uses, access, parking and service areas, and common open space primarily for the residents of the Planned Unit, under a plan which may not correspond in use of land, lot size, bulk or type of structure, density, lot coverage or required open space with the regulations established for any one district created under the provisions of this By-Law, but designed in a manner to create an attractive residential environment of sustained desirability and economic stability, compatible with the character established on the Zoning Map for the area adjoining it; and to better adjust development to natural features of the site, with preservation of open spaces.

1. Any and every Planned Unit Development shall occupy an area of land of not less than two hundred

thousand (200,000) square feet, and to be developed by a Landowner as a single entity under the provisions of this section.

2. The total number of dwelling units shall not exceed an average ratio of twelve (12) dwelling units per acre for garden apartments, or four (4) for row or town houses, or four (4) for duplex or two-family.

B. In a Planned Unit Development District, the Board of Appeals may issue a Special Permit for Exception on appeal as specified in Section VIII 2 B and as modified by the provisions stated below, for a Unitary Development of any or a combination of the following uses:

1. Any use permitted without appeal in a Rural District or in a Single Residence A or Single Residence B District, as permitted therein.

2. Two Family, Duplex, Row or Town Houses and Garden Apartments, subject to the provisions stated below.

3. Accessory uses, where the total P.U.D. area exceeds 25 acres, including office of physician or other member of a recognized profession, and drug store, barber and beauty shops, and similar incidental business uses primarily for the service and convenience of occupants of the Planned Unit Development; and providing such accessory uses not be included in a residential building.

4. Common Open Space with incidental outdoor amusement or recreation uses devoted to or related to court games, golf, skating or swimming, but primarily for the use of residents or tenants or guests thereof in said district.

5. Parking spaces as required in Section IV-3 as amended below.

C. Any or all such uses shall be permitted in a Planned Unit Development only subject to the following conditions and in accordance with the procedure stated in Section VIII-2 below:

(a) Each dwelling unit shall have individual cooking facilities and shall contain no more than two sleeping rooms; there shall be at least six detached or semi-detached buildings and except for two-family or duplex, no such building shall contain less than eight dwelling units.

(b) No living quarters shall be permitted above the mean finished grade.

(c) All buildings shall connect with a sanitary sewer.

(d) Utility wires shall be installed underground, conforming to Subdivision Rules & Regulations currently in effect in the Town of Wilmington.

(e) Principle Access Driveways shall conform in gradients, paving materials, turn-arounds, curbs, sidewalks, easements, drainage facilities and street trees with the design and improvement requirements for Minor Streets in the Subdivision Rules and Regulations currently in effect in the Town of Wilmington.

(f) The proposed site plan shall be designed to have access to two streets when property lines divide two streets.

(g) Off-Street Parking Areas. Two spaces for each dwelling unit in the P.U.D. project; parking spaces for other accessory uses, entrance and exit driveways, curbs, drainage, surfacing, lighting and screening, shall conform with the design and improvement requirements stated in Section IV-3 of this By-Law and found to be reasonably safe, convenient and adequate by the Town Engineer.

(h) Bonds or Covenants for Performance Guarantee shall be provided in the same manner as for Subdivision.

(i) Common Open Spaces shall be provided with an area equal to or exceeding the sum of those areas by which the area per dwelling unit is reduced below (20,000) square feet, or comprising 25% of the total area of the overall lot, whichever is greater.

(j) No building facade, detached or semi-detached, shall exceed two hundred and forty (240) feet in length.

(k) No building, detached or semi-detached, shall be located within a distance of thirty (30) feet as measured at a right angle from the exterior sidewalk of any sidewalk or any access driveway without a sidewalk.

VI. To add to Section V, Subsection V-4 thereof, under the caption "Set Back and Yards" the following:

In paragraph D, in the first sentence, after the phrase "In any District" and before the word "no" insert the words "except in a Planned Unit Development District".

VII. To add to Section VIII, Subsection VIII-2, under the caption "Appeal" the following:

E. Procedure for Application for Finding and Determination.

(a) No building for any of the uses permitted by the terms of the revised section III-6 above shall be constructed or reconstructed or substantially altered externally or added to, unless the Board of Appeals, after a public hearing and after consideration of the written recommendations of the Planning Board and the Town Engineer, shall have made a finding and determination that the proposed Planned Unit Development complies with the requirements of this By-Law, that the Plans are adequate for the reasonable protection of the public safety, health, and morals as specified in paragraph "b" below.

(b) Landowners seeking approval and authorization to establish a Planned Unit Development shall file an application therefor with the Town Clerk with six (6) copies of each Site Plan and Written Statement covering:

(1) the location and size of the site and the nature of the Landowner's interest in the land proposed to be developed;

(2) the density of land use to be allocated to parts of the site to be developed;

(3) the location and size of any Common Open Space and the form of organization proposed to own and maintain any Common Open Space;

(4) the uses of land and buildings and the approximate height, bulk and location of buildings and other structures;

(5) the proposals for screening and topographical changes; and (6) in the case of Plans which call for development over a period of years, a schedule showing the proposed construction schedules and approximate dates, within which applications for final approval of all sections of the Planned Unit Development are intended to be filed.

The application for a Planned Unit Development shall include a written statement by the Landowner setting forth the reasons why, in his opinion, a Planned Unit Development would be in the public interest and would be consistent with the General Plan for Wilmington.

(c) Reference. Upon receipt of application and site plan by the Town Clerk, the said Town Clerk shall make a record of the date and time of receipt thereof, and shall within five days (Sundays and holidays excluded) transmit to the Planning Board two copies of said application and site plan, to the Town Engineer one copy of said application and site plan, and to the Board of Appeals and Building Inspector one copy of said application and site plan.

(d) Public Hearing. Immediately upon receipt of an application and site plan in accordance with this section, the Board of Appeals shall schedule within thirty-five (35) days an advertised public hearing thereon in accordance with the procedures set forth in sections six and seventeen of Chapter 40-A of the General Laws.

(e) Review and Reports. The Planning Board and the Town Engineer shall each consider the application and site plan and shall each submit, within forty-five (45) days, a written report thereon with recommendations to the Board of Appeals.

(f) The Planning Board shall set forth with particularity in what respects the Plan would or would not be in the public interest including but not limited to findings of fact and conclusions reached in the following:

(a) In what respects the Plan is or is not consistent with the statement of Objectives of a Planned Unit Development (Section III-6A) and of the General Plan for the Town.

(b) The extent to which the Plan departs from zoning and subdivision regulations otherwise applicable to the subject property, including but not limited to density, bulk and use, and the reasons why such departures are or are not deemed to be in the public interest.

(c) The purpose, location, uses and amount of the Common Open Space in the Planned Unit Development, the reliability of the proposals for maintenance, preservation, and conservation of the Common Open Space, and the adequacy or inadequacy of the amount and purpose of the Common Open Space as related to the proposed density and type of residential development.

(d) The physical design of the Plan and the manner in which said design does or does not make adequate provision for public service, provide adequate access and control over vehicular traffic, and further the amenities of light and air, recreation and visual enjoyment.

(e) The relationship, beneficial or adverse, of the proposed Planned Unit Development to the neighborhood in which it is proposed to be established, and

(f) In the case of a Plan which proposed development over a period of years, the sufficiency of the terms and conditions intended to protect the interests of the public and of the residents of the Planned Unit Development in the integrity of the Plan.

(2) In addition the Planning Board shall review with the Town Engineer and endorse his recommendations concerning matters in his report, with particular reference to:

(a) All aspects of the Plan relating to or similar to a Subdivision Plan, including access, drainage, waste disposal, topographic changes, etc., specifications for paving, drains, water, etc., and performance bond.

(b) Recommendations of "conditions" which should be considered for inclusion in the Findings by the Board of Appeals.

(3) The Town Engineer shall report on:

(a) All aspects of the Plan relating to or similar to a Subdivision Plan as noted above.

(b) All elements of the Site Plan concerning Parking under the revised provisions of Sections IV-3, provided, however, that the required findings and determination of the Town Engineer as to all matters specified in Section IV-3 shall be binding upon the Board of Appeals.

(c) The Town Engineer shall make a finding and determination as to whether the proposed Planned Unit Development complies with the requirements of this By-Law, that the Plans are adequate for the reasonable protection of the public safety, health, and morals as specified in paragraph "b" below.

(d) The Town Engineer shall make a finding and determination as to whether the proposed Planned Unit Development complies with the requirements of this By-Law, that the Plans are adequate for the reasonable protection of the public safety, health, and morals as specified in paragraph "b" below.

(e) The Town Engineer shall make a finding and determination as to whether the proposed Planned Unit Development complies with the requirements of this By-Law, that the Plans are adequate for the reasonable protection of the public safety, health, and morals as specified in paragraph "b" below.

(f) The Town Engineer shall make a finding and determination as to whether the proposed Planned Unit Development complies with the requirements of this By-Law, that the Plans are adequate for the reasonable protection of the public safety, health, and morals as specified in paragraph "b" below.

(g) The Town Engineer shall make a finding and determination as to whether the proposed Planned Unit Development complies with the requirements of this By-Law, that the Plans are adequate for the reasonable protection of the public safety, health, and morals as specified in paragraph "b" below.

(h) The Town Engineer shall make a finding and determination as to whether the proposed Planned Unit Development complies with the requirements of this By-Law, that the Plans are adequate for the reasonable protection of the public safety, health, and morals as specified in paragraph "b" below.

(i) The Town Engineer shall make a finding and determination as to whether the proposed Planned Unit Development complies with the requirements of this By-Law, that the Plans are adequate for the reasonable protection of the public safety, health, and morals as specified in paragraph "b" below.

(j) The Town Engineer shall make a finding and determination as to whether the proposed Planned Unit Development complies with the requirements of this By-Law, that the Plans are adequate for the reasonable protection of the public safety, health, and morals as specified in paragraph "b" below.

(k) The Town Engineer shall make a finding and determination as to whether the proposed Planned Unit Development complies with the requirements of this By-Law, that the Plans are adequate for the reasonable protection of the public safety, health, and morals as specified in paragraph "b" below.

(l) The Town Engineer shall make a finding and determination as to whether the proposed Planned Unit Development complies with the requirements of this By-Law, that the Plans are adequate for the reasonable protection of the public safety, health, and morals as specified in paragraph "b" below.

(m) The Town Engineer shall make a finding and determination as to whether the proposed Planned Unit Development complies with the requirements of this By-Law, that the Plans are adequate for the reasonable protection of the public safety, health, and morals as specified in paragraph "b" below.

striking out in its entirety Section VIII - Enforcement, Appeal, Amendment and Repeal in its place the following:

Section VIII - Administration, Enforcement and Amendment.

VIII-1. **The Building Inspector** shall administer, execute and enforce the provisions of this By-Law, except where otherwise provided, through interpretation and application of the provisions thereof. In so doing he shall have the same powers as are provided to execute and enforce the Building Laws of the town. He shall approve no application, plan or permit, or the specifications thereof, except in conformity with this By-Law.

VIII-2. **Permits.** It shall be unlawful for any owner or person to erect, construct, reconstruct, convert or alter a structure or change the use, increase the intensity of use, or extend or displace the use of any building, other structure or lot without applying for and receiving from the Building Inspector the required permit therefor.

B. **Permit Applications:** For purposes of administration, permit and application procedure involving a structure may be made at the same time and combined with the permit required under the Building Law for a permit shall be accompanied by plans and specifications duplicate, showing the actual shape and dimensions of the lot to be built upon, the exact location and size of all buildings or structures already on the lot, together with the lines within which all buildings or structures are to be erected, the existing and intended use or uses of each building, structure or area within the lot.

Where the application does not involve a structure but only a lot, a permit shall be applied for and may be issued. In addition to plot plans and drawings required for submission under regulations of the Building Code, plans and information also for off-street parking, landscaping, loading, sewerage and filling shall be filed as may be necessary, under provisions for Site Plans in Section IV-3 E and F, as hereinbefore specified, or otherwise to provide for the execution and enforcement of this By-Law.

Applications for a Special Permit for Exception which may be authorized by the Board of Appeals for uses under Sections III-1B, III-2B, III-3B, III-4B, III-5B, and Section V-2 or elsewhere in this By-Law as "on appeal by the Board of Appeals" under the following procedure:

(a) Application to the Building Inspector on the appropriate form and filed with the Town Clerk.

(b) Reference of the application to the Town Planning Board for a report thereon. Said report shall set forth, insofar as practicable, the probable effect of or need for such use, within the general area thereof, or within the town, and may contain suggestions or recommendations relating to the establishment of any such use. The report shall be submitted to the Board of Appeals within forty-five days after receipt by the Planning Board of the notice of the filing of the application.

(c) If such submission is not made within the period required, a report favorable to the establishment of the use shall nevertheless be deemed to have been made.

(d) Public Hearing, notice of which shall be given in accordance with the provisions of Section XVII of Chapter 40-A, and of this By-Law.

(e) The decision of the Board shall be made within sixty days after the date of the filing of an appeal, application or petition (Chap. 40-A G.L.).

(f) In acting upon an application for a Special Permit, the Board shall take into consideration whether:

(1) the specific site is an appropriate location for the use or structure;

(2) the use developed will adversely affect the neighborhood;

(3) there will be undue nuisance or serious hazard to vehicles or pedestrians, and adequate and appropriate facilities will be provided to ensure the proper operation of the proposed use, structure, or condition;

(4) the proposed use or structure will be in harmony with the general purpose of this By-Law;

(5) the recommendations of the Planning Board.

(f) The Board may impose additional conditions on any Special Permit to limit, arrange, and adjust uses and structures as it finds reasonably appropriate to safeguard the neighborhood or otherwise serve the purposes of this By-Law, including but not limited to, the following: front, side, or rear yards greater than the minimum required by this By-Law, screening, buffers or planting strip, fences, or walls, as specified by the Board; modification of the exterior appearance of the structure; limitation upon the size, number of occupants, method and time of operation, or extent of location of drives, access, or other traffic features; and off-street parking or loading, or other special features beyond the minimum required in this By-Law.

(g) The Board shall grant a Special Permit only when it finds in a written report filed with the Town Clerk that the proposed use or structure:

1) will be in conformity with all the limitations and conditions for such use prescribed in the listing of uses in Section III of this By-Law;

2) will not adversely affect the neighborhood;

3) will not create a nuisance or serious hazard to vehicles or pedestrians;

4) will be provided with appropriate facilities - adequate and appropriate to ensure the proper operation of the proposed use, structure or condition;

5) will be in harmony with the general purposes of this By-Law.

and filed with the Town Clerk. "No variance or permit shall take effect until such notice is recorded in the Middlesex County Registry of Deeds."

4. **Records.** The Board shall cause to be made a detailed record of its proceedings showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and setting forth clearly the reason or reasons for its decisions, and of its other official actions, copies of all of which shall be immediately filed in the office of the town clerk and shall be public record. Chap. 40-A-G.L.

The Board shall, with the advice and assistance of the Building Inspector, maintain and keep up-to-date a map indicating, by means of appropriate symbols, colors, or other notations, the locations in which it has taken approving or disapproving action.

C. **Particular Powers.** The Board of Appeals shall have powers to:

1. Hear and decide appeals taken from any order, decision, or determination, made by the Building Inspector in the execution and enforcement of this By-Law.

2. Grant Special Permits for Exception to an applicant, "in appropriate cases and subject to appropriate conditions and safeguards," to make use of his land or to erect and maintain buildings or other structures thereon in accordance with such an exception. Chap. 40-A G.L.

3. Special Permits may be authorized by the Board for uses under Sections III-1B, III-2B, III-3B, III-4B, III-5B and Section V-2 or elsewhere in this By-Law as "on appeal by the Board of Appeals" under the following procedure:

(a) Application to the Building Inspector on the appropriate form and filed with the Town Clerk.

(b) Reference of the application to the Town Planning Board for a report thereon. Said report shall set forth, insofar as practicable, the probable effect of or need for such use, within the general area thereof, or within the town, and may contain suggestions or recommendations relating to the establishment of any such use. The report shall be submitted to the Board of Appeals within forty-five days after receipt by the Planning Board of the notice of the filing of the application.

(c) If such submission is not made within the period required, a report favorable to the establishment of the use shall nevertheless be deemed to have been made.

(d) Public Hearing, notice of which shall be given in accordance with the provisions of Section XVII of Chapter 40-A, and of this By-Law.

(e) The decision of the Board shall be made within sixty days after the date of the filing of an appeal, application or petition (Chap. 40-A G.L.).

(f) In acting upon an application for a Special Permit, the Board shall take into consideration whether:

(1) the specific site is an appropriate location for the use or structure;

(2) the use developed will adversely affect the neighborhood;

(3) there will be undue nuisance or serious hazard to vehicles or pedestrians, and adequate and appropriate facilities will be provided to ensure the proper operation of the proposed use, structure, or condition;

(4) the proposed use or structure will be in harmony with the general purpose of this By-Law;

(5) the recommendations of the Planning Board.

(f) The Board may impose additional conditions on any Special Permit to limit, arrange, and adjust uses and structures as it finds reasonably appropriate to safeguard the neighborhood or otherwise serve the purposes of this By-Law, including but not limited to, the following: front, side, or rear yards greater than the minimum required by this By-Law, screening, buffers or planting strip, fences, or walls, as specified by the Board; modification of the exterior appearance of the structure; limitation upon the size, number of occupants, method and time of operation, or extent of location of drives, access, or other traffic features; and off-street parking or loading, or other special features beyond the minimum required in this By-Law.

(g) The Board shall grant a Special Permit only when it finds in a written report filed with the Town Clerk that the proposed use or structure:

1) will be in conformity with all the limitations and conditions for such use prescribed in the listing of uses in Section III of this By-Law;

2) will not adversely affect the neighborhood;

3) will not create a nuisance or serious hazard to vehicles or pedestrians;

4) will be provided with appropriate facilities - adequate and appropriate to ensure the proper operation of the proposed use, structure or condition;

5) will be in harmony with the general purposes of this By-Law.

grant reasonable relief to the owner and is necessary for a reasonable use of the lot or structure; and

d. the granting of the variance will be in harmony with the general purposes and intent of this By-Law, and with the convenience, welfare, safety, health, and character of the district within which it is proposed, and

e. granting the variance will not be injurious or otherwise detrimental to the public welfare.

In authorizing a variance, the Board shall attach such conditions and safeguards as it deems necessary to protect the neighborhood and the community, such as, but not limited to those specified in paragraph VIII-4-C above for Special Permits.

4. The Board of Appeals shall also hear and decide appeals concerning:

a. Temporary use, building, or structure, as specified in Section VI-2 herein.

b. Change or extension of a non-conforming use or alteration or enlargement of a non-conforming building or structure, as specified in Sections VI-1 B and VI-1 C herein.

c. Dumping and filling, as specified in Section VII-2 herein.

d. The use of heavy punch presses or drop hammers as specified in Section III-4A Item 8 herein.

e. Projection above the maximum height regulations, as specified in Section V-2 herein.

VIII-5. **Amendments.** This By-Law or any portions thereof may be amended, modified, or repealed as provided by law.

or do anything in relation thereto.

Article 23: To see if the Town will vote to amend the Zoning By-Law by deleting Section VIII, 2 B.1. (being Article 15 as voted at the Adjourned Annual Town Meeting on March 20, 1971), namely:

In exercising the authority conferred by this section the Board shall consider not only the particular restrictions contained in Sections III-1B, III-2B, III-3B and III-4B, but also proposed placement of buildings, major topographic changes, provisions for waste disposal, surface and ground water drainage, parking areas and driveways. After said consideration the Board may authorize the specified use provided it determines the public convenience and welfare will be substantially served and the requested use will not tend to impair the status of the neighborhood. The Board may impose appropriate conditions and safeguards upon the granting of the specified use; but shall not apply to Section III-1B-5 and by substituting therefor by adding the following to Section VIII-2-B.1, namely:

In exercising the authority conferred by this section the Board shall consider not only the particular restrictions contained in Sections III-1B, III-2B, III-3B and III-4B, but also proposed placement of buildings, major topographic changes, provisions for waste disposal, surface and ground water drainage, parking areas and driveways. K of C joins fight  
against X-Rated Films

State Deputy Gerard M. O'Meara, leader of over 60,000 members of the Knights of Columbus in Massachusetts, has appointed John J. Donovan of Norwood to join the fight against x-rated films. At a Board of State Officers meeting held at the Statler Hilton in Boston, Mr. O'Meara together with Supreme Knight John W. McDevitt expressed their concern regarding the increase of immorality being shown in the films today.

Mr. Donovan, a state officer with the Knights of Columbus, was recently elected president by the citizens of Norwood group to arouse public concern in the fight against pornography.

"I am urging all the Grand Knights in the 213 K of C Councils throughout Massachusetts to join with the concerned citizens everywhere to fight the smut peddlers," said Mr. Donovan.

What Price Silence - "What is the price being paid today by unsuspecting people of America for their Silence regarding the unorthodox presentations of visual immorality in films under the mocking guise of 'freedom of expression'?" continued Mr. Donovan.

"Some Americans will boldly insist that we may not legislate morality, nor tell men and women what they should or should not see. And thus it is, that under the veil of 'freedom', irresponsible, inquisitive and inexperienced teenagers are now protesting that they have a Right to see these films. They fear that by 'restricting' them from this so called privilege - they will miss out on something which may add to their fulfillment as mature adults."

"Can it be possible that these same 'freedoms' which our forefathers fought and died to preserve are fast becoming handy 'tools' in the grasp of crafty, unscrupulous smut peddlers who are propelling this nation toward degradation? Too many of our 'freedoms' are defined in a manner which allows these pushers of pornography to hide behind the skirts of our Constitution."

Bill of Rights - "Our youth is being sold a 'bill of rights' instead of a 'bill of rights' ex-

claimed Mr. Donovan. "I believe that the ever increasing wave of crimes, sexual assaults, free love resulting in the high rate of venereal disease, etc., are perfect examples that immoral films have a basic tendency to inspire an 'imitative action' by many who view them."

Greed for Profit - "While the terms 'Merit versus Morality' are being argued and defined, the smut peddlers are becoming richer and more greedy for the fast buck. Where does it stop? What other shocking developments are we to expect from them to continue feeding their appetites?"

Film Industry Falls - "The motion picture industry was once looked upon as the 'citadel' of wholesome family entertainment. In recent years the industry has failed to regulate itself adequately. As a result, the people have suffered together with the 'decent' movie directors, actors and actresses who today find themselves out of work because they would not lower their standards."

Supreme Court Action - "When will those who wish to put a stop to this immorality stand up and be counted? Must we wait until the old definitions of freedom, taught to us as children, are tampered with until they become barely recognizable? Must we, like the Roman Empire before us, be consumed before we wake up?"

"When will our Supreme Court come to understand the feelings of many Americans?"

"The time to act is now," said Mr. Donovan. "Let your voice rise with the tens of thousands of others already 'shouting' their indignation to our higher courts. Don't sit back and 'let George do it.' It will never get done."

Grand Knight Allan MacMullin of Father Croke Council in Wilmington has vowed to organize an anti-smut committee and to become active within the community. "I believe everyone should become aware of the dangers of pornography and I intend to complain wherever I find it being promoted," said Grand Knight MacMullin. "Let us become an aroused citizenry within our own community. Complain to the local authorities, to the district attorney, to the attorney general - yes, to the Supreme Court. Let us be heard and all. Our cause welcomes any and all organizations and concerned citizens to join the fight against pornography."

SERGEANT BRENNICK  
ARMY REPRESENTATIVE

Staff Sergeant Donald P. Brennick of Billerica has recently been assigned as local U.S. Army Representative for Wilmington and Billerica. The Sergeant who was formerly a resident of Somerville has been living in Billerica for the past twenty years and now makes his home with his wife and four children at 2 Kern Drive.

His military career included tours of duty in Korea, Europe and Africa. He recently completed advanced training as an Army Representative in Indianapolis, Indiana.

Sergeant Brennick is available for personal counseling and military guidance to those men and women who express an interest in the military and those who will

soon be graduating. He will be glad to address any interested organizations upon request.

The Sergeant states that he has ample positions available in many varied types of occupational and educational training. There are over 300 schools in all fields of training at the present. This offers a wide choice to young men and women who would like to advance themselves. The starting

salary for today's enlistee is \$288.00 per month with rapid increases with promotion and advanced position.

Sergeant Brennick's office is in the Billerica Town Hall and is open on Mondays, Wednesdays and Fridays from 10 a.m. to 5 p.m., or you may call him at 667-9819.

SFERRAZZA Seems Difficult to Pronounce  
BUT  
SFERRAZZA MEANS GOOD GOVERNMENT  
A MAN ....

With a Sense of Responsibility toward all the people of Wilmington. (For many years Frank Sferrazza has worked with Recreational and Youth Programs)

Who Believes in Wilmington. (Wilmington is Our Town. It is what we make of it. We have an obligation to protect the Town of Wilmington for future generations. We must also satisfy present needs)

With the Courage to Speak Out. Our Government belongs to All The People. (We have too many cliques and factions. We can work together for a Community that Belongs to All of Us.)

WILLIAM D.  
READYCANDIDATE FOR  
SELECTMAN

William D. Ready, his wife Ruth, and their three children reside at 11 Wing Road, and have lived in Wilmington for the past five years. He was graduated from Southern Seminary, Kingston, N.H. and attended Boston University. Mr. Ready is employed with Pusey Corporation of Boston as a security consultant.

As your Selectman he would seek to reinstate a presently dwindling hope that our form of government can work for the benefit of the people it serves.

We are a growing community. We need to ensure efficient town government through the improved co-operation of the towns boards and through the use of more foresight and vigilance in our planning. Recently we have lost an excellent recreation director due to the lack of co-operation and communication presently existing; and the town has lost again this year through yet more defaulted bonds. Mistakes like this cost money and the tax rate must be watched with special regard to the employment situation.

Mr. Ready has served as an Adviser to the Explorer Scouts, Adviser to the Congregational Church Coffee House, is a past director and secretary of the Wilmington Jaycees and is the current president. He likes the town and their three children are growing in the town, and he would like to assume his responsibility as a citizen by active participation in Wilmington's future.

**JUNIOR KIWANIS CHARTER NIGHT MONDAY, FEBRUARY 28TH**

Charter night for the recently formed Wilmington Junior Kiwanis Club will be held at the Maverick Steak House in North Reading on Monday, February 28th.

President of the new group is Ron Colbert who will be assisted during his tenure in office by Fred Campbell who will serve as secretary and Anthony Maxfield who has been elected treasurer. The faculty advisor is Mr. Beaton, head of the history department.

The club which is under the auspices of the Wilmington Kiwanis International, has taken on as its first project the collection of donations for the March of Dimes. The March of Dimes collection which started Wednesday during lunch will continue for one week. Last year at the high school a total sum of less than one dollar was contributed. Seventy dollars has been collected this year. All contributions will gladly be accepted for the good cause.

The Key Club itself welcomes new members. Anyone interested should contact one of the members.

**LEAP DAY LUNCHEON FOR SENIOR CITIZENS**

A Leap Day Luncheon will be held for Senior Citizens of Wilmington on Tuesday, February 29th at Villanova Hall at noon.

The guest speaker for the afternoon will be James Banda who has chosen as his topic, "You, The Law and Retirement".

Transportation will be provided and reservations must be in by Saturday, February 26th. For further information, call Barbara Larson, 658-5852.

So, This Gal does note that it is that Summer Hat weather this week. And she likes that. Makes her know that perhaps she can make it without the fireplace that doesn't work this winter... cause the Summer might bring some changes. Pat Kelly wanted me to thank the members of FISH for the terrific job they did helping the kids while Pat was confined to Winchester Hospital on an emergency stay. Those are our kind of folk. Congratulations to FISH and thanks again for calling Pat. Good luck!

Heard that one School Psychologist did make room for the kids in his yard to make a skating rink, and thereby put out his back walking under a pine tree from his parked car. Then he spent a week in bed hrm, and that's a likely story, there, Dr. Jim. Watch that! This Gal must be losing her charm. Hear Tommy Connolly, of B &amp; M fame and the smiling face in the square, went to Bermuda without even inviting

her and now... Eddie Sullivan of the P O Group is leaving for Hawaii for the Convention and the only requirements are a 'Grass Skirt'. Well... this Gal could manage that one, but she still didn't make it. Tch, tch. Mebbe that she just goes better with the Cold Country? Well... anyway, Fellas, have a Ball... and she'll be thinking of you... and jealous? ...Wow!

Jo O'Neil is at it again... She and her group will be handling the Channel 2 Auction again on March 13... This Group is now christened the 'Go-Getters' and can't think of a more appropriate name for a Group with Jo as the leader. They'll take anything for that Auction... including money... Call Jo for more info, 658-4832... NOW!

Hev, you Gals, you're not doing so well with those cards... and the appreciation for them is really something... this Gal would say by the telephone calls. So... write that down now, and next time you're out... stop in to Grants where they have some ten-cent ones on the bottom row... and anyway... this Gal has been known to make a few out of cartoons... construct paper, old stationery anything... but it seems to make the others happy... so get with it huh... and where are the school kids... think they could make some

as a project for those Golden Agers that can't get out... Are you with me?

Am realizing a lifelong ambition my first Olympic Games! Being here is twice the fun. Am seeing my first snow in two years... Shades of New England! Regards to all! Fr McNeil... So... you Gals ready... Remember in the Spring Cleaning... Baby clothes... yours, your kids, or your neighbors... Get down to that box you kept just in case... and let's have them... Project Diaper will be officially afloat as soon as we hear from that Reverend... and thanks, Father McNeil, for those words... and have a good time at those Olympics... Wish we were there! How do car accidents hurt you? A tabulation of the injuries received in car accidents shows that seventy-three per cent of the injuries received are those to the face and head.

Next on the list are the neck and spine. Thirty-seven per cent received injuries to the chest, while sixteen per cent received injuries to the pelvic areas.

Forty-seven per cent of the injuries were received in the lower extremities. This all adds up to more than 100 per cent.

But, remember, in a car accident, people are hurt all over.

## Guilty Findings in Marijuana Case

Three youths have been found guilty in Woburn Court, and a juvenile girl still has to have her case heard, in the arrests that took place at 111 West Street on January 2nd. The police found a quantity of marijuana, some hypodermic needles, and some stolen telephone equipment at the time of the raid. They had had the place under surveillance for several months.

All three youths entered a Not Guilty plea before Justice Francis Cullen.

Thomas Flynn of Salem Street was sentenced to an indefinite term in the House of Correction. David Reynolds of Cunningham Street was sentenced to one month in the House of Correction, and fined \$100. His sentence was suspended for one year, pending good behaviour. Keith Dawson of Gorton Mass. was found guilty of

possessing stolen telephone equipment, and fined \$100. He was also found guilty in the marijuana case, and his case was put on file.

### DOUG GERRARD ADDRESSED ROTARY

Doug Gerrard, a sophomore at Reading High School, who holds the rank of Star Scout, and is on his way to attaining that of Eagle Scout was the guest speaker at the February 16th Rotary meeting. Doug spoke on his Scouting experiences and accented his remarks by showing many interesting slides.

Also at the same meeting of the Rotary, Stanley Webber and Anthony Krasinski were inducted as members by Ralph Swanson.

### HIS STOCK IS ZOOMING

Dr. Henry L. Foster, president of the Charles River Breeding Laboratories of Wilmington, has been re-elected a vice president of the Century Bank, in Somerville.

Dr. Foster moved his laboratories to Wilmington twenty years ago, and has led their growth into the worlds of science and research.

He is a past president of the Rotary Club of Wilmington.

## WHO IS MIKE CAIRA ?

### A NEW FACE

### INTRODUCING:

### MICHAEL A. CAIRA

We who have signed this political advertisement know Mike Cairra as a friend, a neighbor, a participant in civic activities, and as a vigorous leader in youth and recreational programs.

Perhaps more importantly, we know him as a young man of uncommon maturity, and rare common sense. We urge you to consider his qualifications for further public service.

In particular, we believe that his experience as assistant secretary to the Governor will help Wilmington to deal with the complex problems of State and Federal relations.

**EDUCATION:** BACHELORS DEGREE FROM BOSTON COLLEGE IN BUSINESS MANAGEMENT AND LAW.

**CIVIC ACTIVITY:** CITIZENS PLANNING ADVISORY COMMITTEE, ADULT ADVISOR TO ST. THOMAS CYO, SONS OF ITALY

**RECREATION AND YOUTH:** GREATER LOW-WELL BASEBALL UMPIRES ASSOCIATION, PAST SUPERVISOR IN WILMINGTON RECREATION PROGRAM.

### A FRESH APPROACH

- TO RECOVER A SENSE OF COMMUNITY PURPOSE
- TO FIND REASONABLE SOLUTIONS FOR REAL PROBLEMS
- TO RESTORE STRONG LEADERSHIP AND COORDINATION IN THE MANAGEMENT OF TOWN AFFAIRS

### FOR PROGRESSIVE TOWN GOVERNMENT

1. WILMINGTON MUST PROVIDE ADEQUATE SCHOOL FACILITIES, RECREATIONAL PROGRAMS, WATER SUPPLY, SEWERAGE DISPOSAL, POLICE AND FIRE PROTECTION, LAND CONSERVATION AND DRAINAGE.

2. WILMINGTON MUST ALSO PROTECT OUR HOMEOWNERS AGAINST A TAX BURDEN BEYOND THE MEANS OF AN AVERAGE FAMILY.

### AND RESPONSIBLE LEADERSHIP FOR WILMINGTON

☒ TO TAKE FULL ADVANTAGE OF FEDERAL AND STATE FUNDS PAID FOR BY WILMINGTON TAXPAYERS

☒ TO DEMAND CAREFUL PLANNING FOR ALL PROGRAMS AND FACILITIES - AND TO ASSIST ON ACTION - NOT EXCUSES

☒ TO SUPPORT ALL SENSIBLE EFFORTS TO ATTRACT:

1) Desirable, high value industry, for more tax money.

2) Planned appropriate Apartment Developments to provide Tax Revenue and Needed Housing for older couples, and recently married children of Wilmington families.

3) Substantial Business Development to keep our Consumer Dollars in Wilmington, and

4) To Encourage Existing Industry against leaving Town.

## Family Counselling Service Growing

Sometimes the price of success is higher than anticipated and such is the case with the Family Counselling Service.

The Service was founded by concerned members of the community to provide in-town help for people with emotional, social and adjustment problems.

Our complex and mobile society has created problems that were uncommon a generation ago and ignoring the problems will not make them vanish into thin air.

The Family Counselling Service is one way of tackling these problems, and remember, these are not to be considered the problems of a particular individual or of a certain family; these are truly problems that affect the well-being of the whole community and so it behooves the community to show concern for the sake of the individual and for the sake of all people.

The Family Counselling Service membership is growing. A partial list of members includes:

James Banda, Ruth Adams, John Callan, Walter Coleman, Miriam Colucci, James Durkee, John Hamilton, John Imbimbo, Carol Marino, Dr. J. Marshall, Esther Russell, Rev. Robert Smith, Mr. and Mrs. Leon Chalfour, Mr. and Mrs. Thomas Michaud, Mr. and Mrs. John Foley, Mr. and Mrs. Robert Brown, Mrs. George Boylen, Paul Bodenstein, Anthony DeLuca, J. P. Silvers, Mildred Wolff, Laura Morrison, David T. Moore, Janet Forest, Mary Valentino, Shirley Keller, Roberta Moore, Mrs. Guy Nichols, Dr. and Mrs. Erwin Chernoff, Anna Low, Mrs. William Hooper, Jr., Lester White, Anna Visconti, Mr. and Mrs. Harry Fishburne.

Organizations are also included in the membership. Sons of Italy, Wilmington Women's Club and the Wilmington Community Fund. It was the latter group that helped the project get underway with initial funding and has continued to provide support with a substantial donation each year.

The success of the Counselling Service has created a great need for financial assistance because the clients, in many cases cannot afford the required fee. To deny people help that is needed because they cannot afford to pay is discriminatory and callous and is contrary to the policy of the Community Fund which believes that all the townspeople are entitled to the same services. The purpose of a community fund is to equalize services as much

as it means permit and our town fund fulfills its purpose with pride.

How effective the Family Counselling Service will be in the future depends on the good will and concern of our citizens. The need has been demonstrated; let's all pull together and give support where needed. More members, both individuals and organizations, are urged to contribute. If you wish to donate, you may send contributions to the Family Counselling Service, P.O. Box 383, Wilmington.

## DOLLARS AND SENSE WHY HAVE OUR TAXPAYERS REBELLED AGAINST MAJOR TOWN SPENDING PROPOSALS?

### CONSIDER ONE INCREDIBLE FACT.

Over 700 Acres of Undeveloped Vacant Land, Now Zoned for Industry, in Wilmington! If this were developed properly we would obtain at least \$70 million in new assessed valuation, or \$3.5 million per year in tax revenue.

**WHY?**  
Why cannot we generate needed employment for our residents?

**WHY?**  
Why are we unable to solve our School Building Problem?

**WHY?**

## Spotlighters cast spring Production

SPOTLIGHTERS PREPARE SPRING PRODUCTION: L to R: Elliot Drew, Ellie Peterson, Verence Hensey, Jean Waugh, Norma Castonguay and June Mallet.

The Wilmington Spotlighters met last Monday night at the Mildred Rogers School to choose directors and cast for their spring production, three one-act plays.

Ron Whitney was chosen to direct the popular comedy, "Next" which depicts the inductment into the Army of a reluctant 40 year old gentleman by a

gruff, no-holds-barred Army nurse. The roles were awarded to Harry Johnson and Jean Waugh.

In a more serious vein, "The Long Retreat" will be directed by Verence Hensey, and stars Norma Castonguay and Bob Jennings.

Shannon O'Brien will direct the third play, "The Mice Have Been

Drinking Again", a witty comedy about an unwanted hippie relative living with a very straight young couple who would like to have more time alone together. The straight young couple will be portrayed by Elaine DePasquale and Michael Harrington; the hippie cousin by Carol Cooke, and her guru by Lance Platt.

ALDREIDE DEI AWARD: Was given to Marcel Deveau, of Troop 63, Sunday morning, at a breakfast in the K of C Hall. The award was presented by Fr. Arthur Obin, Catholic Chaplain to the Greater Lowell Boy Scouts Council.

Lisa Gubellini, Kevin Randell, Leslie Hudson, Mary Thomas, Barbara Canning, Ann McNally, Ruth Friberg, Richard Balestrieri, Donna Moore, Rosie Wallent, Ellen O'Rourke, Sylvia Barbas, Doug Marcotte, Susan Robson, Cindy Aruda, Kevin McFarland, Brian Anderson, Myra Jones and Craig Downs.

## Bloodmobile at Burlington Mall

The Red Cross Bloodmobile will be making its third visit to the Burlington Mall on Wednesday, February 23rd from 11 a.m. to 4:45 p.m. The blood drawing station will be set up for the convenience of donors in Mall Entry Three. More than 80 pints of blood were collected at the last visit in July.

Those who have never given blood before are asked to consider it very carefully. The need is urgent, the inconvenience to the donor is minor and it can be accomplished in a single lunch hour or shopping visit.

Anyone in good health over 110 pounds and between the ages of 18 and 66 can give every eight

the benefit of the Wilmington Crusaders.

Servings will be made from 5 to 8 p.m. and the donation is \$1.25 for adults and 75¢ for children 12 and under.

The menu will consist of ham, beans, cole slaw, rolls and butter, dessert and beverage. The public is cordially invited.

## Come blow your Horn

Boys and girls between the ages of 9 and 12 years are invited to join the Wilmington Swordsmen now. Practice is held at the Woburn Street School on Wednesday and Thursday evenings from 6 to 8. Bugles and lessons are free and both beginners and experienced buglers are welcome.

Bob Mulkern, Manager, 658-7927, will be happy to have new members call him or come directly to practice.

The drum corps is now preparing its routine for the coming summer of competition, and a busy, happy summer is in store for all involved.
